ŽIŽKOV CAMPUS
The main campus of the University of Economics, Prague is located in Žižkov – Prague 3. Apart from this location, VŠE complexes are also situated in Jízni Město, university dormitory in Jarov and sports complex in Trebesín.

THE ŽIŽKOV CAMPUS CONSISTS OF FOUR BUILDINGS:
The functionalist Old Building (Stará budova; SB) is historically the oldest building of the main campus and is directly accessible from Winston Churchill Square. A gym and a computer centre with computer labs are located on the ground floor, whereas the library and reading room of the Centre of Information and Library Services are located in the mezzanine of the Old Building. All classrooms and computer labs signed SB are situated in this building.

The Old Building (SB) is connected to the New Building (Nová budova; NB), where the Information Centre, Vencovského and Likešova auditoriums, and A, B, C, and D lecture halls are located. The ground floor connects the remaining buildings of the main campus. The deans’ offices and departments of the faculties are situated on the floors of the New Building (1st floor – Faculty of Finance and Accounting, 2nd floor – Faculty of International Relations, 3rd floor – Faculty of Economics, 4th floor – Faculty of Informatics and Statistics). The NB classrooms are located on the top floor of the New Building.

Historically, the newest building of the University is the modern Rajska Building (Rajská budova; RB). The RB 101 lecture hall, bookstore and gift shop can be found on the 1st floor. The deans’ offices and departments of the Faculty of Business Administration are situated on the 2nd and 3rd floors; the International Office is on the 5th floor. All RB classrooms are located in the Rajska Building.

In the Italská Building (Italská budova; IB), one can find the cafeterias, pizzeria and healthy food canteen. The Centre for Physical Education and Sports, Department of Science and Research as well as the Academic Club can be found on the 3rd floor of the Italská Building. The MI classrooms are located in the Italská Building.

- Faculty of Management located in Jindřichův Hradec

EDUCATION AT VŠE is in compliance with the European Credit Transfer and Accumulation System (ECTS). The European Commission granted the University of Economics, Prague the right to use the ECTS Label and the DS Label certificates thanks to the correct implementation of the credit system. Both certificates hereby ensure compatibility with foreign universities in terms of education, and confirm the credibility of VŠE as a partner for universities abroad. The University of Economics, Prague has been included in the Financial Times Ranking. VŠE regularly ranks as one of the best “business schools” in Central and Eastern Europe according to the annual evaluation of the Eduniversal Ranking. Therefore, the University is the leader in Czech economic university education in terms of internationalization. The University of Economics, Prague is a member of numerous international organizations and networks such as the international strategic alliance CEMS (Global Alliance in Management Education) and PIM (Partnership in International Management). VŠE currently cooperates with more than 220 partner universities from four continents. The annual number of outgoing students is approximately 800 and a similar number of foreign students are accepted by VŠE from abroad. The University offers not only a variety of courses taught in English but also complete international programmes on every level of university education.

In addition to educational and research activities, VŠE offers a number of lifelong education courses as well as professional consulting services for the public. VŠE facilities provide the basis for a wide range of leisure activities. There are more than fifty student organisations, associations and clubs found at the University to enrich the social, cultural and educational experience of students.
