

Programs

iSummerMX (4 weeks) (July 4-29, 2022)

During this program, students will have the opportunity to live in different cities each week, visit different campuses, and learn about different parts of the country without ceasing their studies.

Each campus will offer special activities, conferences, and trips that will make the experience unforgettable! Different routes are organized for each program in the following topics (download brochures): Global Business, Marketing Insights, and Aeronautics Industry.
