

BERLIN INTERNATIONAL WEEK (BIW) „Sustainability and Responsibility in the 21st Century“

**Hochschule für Wirtschaft und Recht Berlin (HWR Berlin), Department of
Cooperative Studies (Campus Lichtenberg)**

Oct 30th – Nov 11th, 2020

Online option available in case of travel restrictions

Are you interested in doing your Teaching Mobility within the Framework of Erasmus+ at HWR? We are pleased to invite you to our Berlin International Week from 30th of October until 11th of November 2020:

- **Seminars/Workshops on different perspectives and focal topics of CSR and sustainability, e.g.**
 - Ethical and psychological aspects
 - The political and legal framework
 - Macro- and Micro perspective
 - Sustainable Development Goals
 - Focal topics: Climate change /policy; sustainable innovation & entrepreneurship, Corona and sustainability
- **Field Trips**
- **Future Workshop**
- **Real-life challenge** introduced by a NGO or company

In case of travel restrictions, we would switch to online teaching and remunerate you according to the policies of HWR Berlin.

Participation Options:

- a) Only Teaching (approx. 8 teaching hours):
 - Choose lectures suggested in the preliminary schedule (below) or an optional topic suitable for this event and send us your teaching suggestions for 2 x half day teaching
- b) Teaching & coaching / supervision of reflection task (approx. 4 teaching hours):
 - Choose lectures suggested in the preliminary schedule (below) or an optional topic suitable for this event and send us your teaching suggestions for 1 x half day teaching
 - Supervise 2-3 groups of students in doing their reflection tasks

Please let us know if you would also hold your seminars online/digital in case travel restrictions do not allow for teaching at HWR Berlin (in this case remuneration in the amount of 37,50 € per lecture hour)
