

# International Teaching Days 2026

Where international perspectives  
meet practical learning.

# Welcome to International Teaching Days 2026

We are excited to invite you to the annual International Teaching Days at our Steyr Campus! This unique event brings together educators from around the world to share knowledge, collaborate, and engage with local students.

Whether you're a professor, lecturer, or researcher, you have the opportunity to host a workshop or case study, providing students with fresh perspectives and valuable insights. Let's work together to create impactful educational experiences!

18th – 20th May 2026

Teach, learn, practice or do all together with our interactive seminars and workshops.

Travel with us to experience breathtaking nature and pure culture of Austria.

Save the Date!  
18th - 20th  
May 2026

Discover diverse cultures and world cuisines at the International Fair organized by our incoming students.

Explore Austria through craft and culture excursions.

## Format of teaching sessions

Each attendee is invited to conduct a 2-hour session for the Bachelor students of Steyr campus.

The format is of your choice as it can be:

- Workshop
- Interactive seminar
- Case study
- any other format that offers applied learning

Throughout the International Teaching Days, we will explore various workshop themes aligned with our Management and Business study majors from International Sales and Business Intelligence to Financial Management, Logistics and Marketing.

\* Please be prepared to deliver your workshop twice, if required.

## Finances & Costs

- Free of charge for professors/ lecturers teaching
- € 150 for visiting staff

Please be aware that the University of Applied Sciences Upper Austria cannot cover your travel and accommodation expenses.

If you come from a European partner institution you can receive funding via "Erasmus+ Staff Mobility". Please ask your International Office for advice.

## Registration process
